

OUR COMMITMENT

TO OUR VALUED GUESTS

AT OUR HOTEL, THE HIGHEST PRIORITY REMAINS YOUR SAFETY AND COMFORT, along with the safety of our associates. While cleanliness and safety have always been at a high standard, we are making our enhanced standards for hygiene, cleaning, and safety even more rigorous.

WE HAVE ENHANCED MEASURES IN PLACE, partnering with industry experts, such as Ecolab®, to help ensure we have training on hygiene and infection prevention expertise, with protocols rooted in the CDC guidelines. Ecolab, a global leader in hygiene and chemical products, is a trusted industry partner.

TO ENSURE YOUR COMFORT, our staff has also been trained on property cleaning and sanitizing procedures through our proprietary AimClean program, and by other industry-leading cleaning experts, including from Ecolab.

NOW MORE THAN EVER, we are ready to take care of you.

With our warmest wishes,

cleaning and mitigation protocols rooted in **CDC GUIDELINES**
